HIRED GUN

They are the "First Call, A-list" musicians who play for Alice Cooper, P!nk, Metallica, KISS, Ozzy Osbourne, Bon Jovi and more! They are the dynamic personalities and creative genius of the best session players and back up musicians in the world. But who are they really? Most of them make a living in relative obscurity. Some take the road less traveled, and some try to take the road to stardom. Their stories are told for the first time.

BOWIE: THE MAN WHO CHANGED THE WORLD

Only true legends of rock music are known by one word. As with 'Elvis' everyone knows the name of the most creative and influential rock artist of all time: BOWIE. Bowie was in a state of permanent revolution, constantly re-inventing his persona and sound. From Thin White Duke to soulful rocker; music, art, fashion and sexuality were Bowie's playthings - he was truly an artistic chameleon.

INTERVIEWS WITH: Bowie's collaborators and friends and archive interviews with the great man himself.
